**Buzzer System with Video Picture
for 2 door Entrance Security**
Council has approved a motion to purchase a door buzzer and video picture system, once funding is confirmed, at a cost of about \$3000. The U. C. W. has generously decided to donate their remaining money to this project. They will donate at least \$1500 dollars.

We need help to fund the rest.
We are asking anyone who can, to make a donation to this important system that will offer welcome to visitors and members, and security for our Secretary, Minister, and Members who often work alone in the building. If you can contribute, please put your contribution in an envelope marked Buzzer System and leave with the office or put in Collection plate.

Thank you Kindly!

"Known by Our Love"
